

Preconference Schools Program (June 28th -29th 2021)

Track	Date	Time	Facilitator/Title
Pure Mathematics	June 28 th 2021	10:30 -12:30	Dr David Seifert
		14:00-16:00	The Asymptomatic Behavior of Powers of a Bounded Linear Operator
	June 29 th 2021	10:30-12:30	
Statistical Modeling	June 28 th 2021	10:30-12:30	
Mathematics Education	June 28 th 2021	2:00-4:00	Prof. Christine Franklin and Prof. Pip Arnold GAISE II: Teaching Statistics and Data Science at the School Level
Data Science and Computational Intelligence	June 29 th 2021	2:00-4:00	Prof Bernard Manderick Python Ecosystem for Machine Learning
Special workshop In Applied Mathematics	June 29 th 2021	2:00-4:00	Prof Dirk Schlingman Analysis and Synthesis of Music using Mathematics and Computing
